### **Min 2021/11/0091 Public Time**

### **Min 2021/11/0092 Grant Request - Longridge Social Enterprise Company (LSEC)**

Committee discussed the grant request for the replacement of an oil fired boiler at the Civil Hall, Longridge. Committee agreed that they are supportive of LSEC in

their deliberations to retain the Civic Hall as a public amenity. However, councillors were concerned that only one quote for a replacement boiler had been sought and an option appraisal to take into account the resilience and sustainability of the whole heating system had not been provided.

The Sub-Committee agreed unanimously that it could not recommend making an award on the basis of this application.

### **Min 2021/11/0093 Grant Request - Longridge Environment Group (LEG)**

Cllr Gee brought to the attention of the Committee his role as Chair of LEG Zero Waste Team meetings.

Committee discussed the grant request for the cost of two wheelie bins for the recycling of single-use coffee pods by Longridge residents. Two bins would be required to ensure that plastic and aluminium pods could be collected separately. Committee approved the request. Cllr Gee did not take part in the vote.

**Next Meeting: Tuesday 16th November 2021 (to discuss precept).**
